

Dear Director

The 10th annual Woodcreek High School Jazz Festival will be held Friday, February 25th and Saturday, February 26th, Woodcreek High School, Roseville CA. There is a new high school division process this year. You as the director will select your division, novice, intermediate, advanced or heavy. Bands will not be moved in or out of divisions once a schedule is posted. See below for division guidelines. We will continue to offer a combo division on Saturday of the festival. Performance requests are filled as applications are received, early applicants get priority scheduling and Friday fills up early.

Saturday concerts will include the American River College Latin Jazz Ensemble and Jazz Combo.

Hope to see you there.

Brad North

High School Novice Division

Incomplete instrumentation with little or no festival experience/No experienced soloists

High School Intermediate Division

Complete instrumentation with some festival experience/1 or 2 experienced soloists

High School Advanced Division

Complete instrumentation with festival experience and veteran players / 2 or more experienced soloists

High School Heavy Division

Complete instrumentation with multiple festival experiences and veteran players / 4 or more experienced soloists
